

BWFCST AGM – 13th March 2025

Motion No 5 Following on from the departure of Neil Hart who had presided over the selection of the Supporter of the Season Award I propose the following protocol is adopted.

The Nominations are collected, as in previous years, by the Trust. A Selection Committee made up of Phil Mason (acting CEO), Danny Scott (Supporters' Liaison Officer), a Trust Board Member and a Supporters' Trust Member. Members' of the Trust to be invited to put themselves forward and a chosen by a secret draw. If the Selection Committee do not arrive at decision by simple majority the non-Board Member will have the casting vote.
