

BWFCST AGM – 13th March 2025

FYI The club are currently involved with a company called Charity Stars who seem to operate from Milan, Italy and a mail box in Chelsea, UK.

They run auctions of match worn memorabilia and then donate a portion to charity . In this case, BWiTC. Currently this is advertised as 5%. On top of the purchase price, buyers are required to pay a processing fee.

Motion No 6 Part1

The BWFC Supporters Trust feel the Club's association with Charity Stars paints BWFC in poor light due to the minimal charity donations made.

Motion 6 Part 2

Furthermore, we ask the Club terminate the partnership and look at alternative ways to make charity donations from player worn merchandise.
