

BWFCST AGM – 13th March 2025

Motion 8

The co-opted members of the board should serve a period not exceeding 2 years without a break of at least 1 year. In the event Motion Nr 2 being passed, this will allow the now extended term board-members the opportunity to have a greater say in the direction of the trust without the 'pressure' of long standing board members' continuing presence at meetings.

(Proviso- Current co-opted members to be allowed one more year co-opted IF no new board members are appointed this year)

Proposed by:- Simon Nightingale
